LOCAL ITEMS.

Another Democrat.—Born on Thursday to the wife of Dave Patterson a 12-pound boy, James B. McCreary.—Harrington Herald.

John Ryndel and Sidney Winkler exchanged shots at each other as the result of a quarrel at the K. C. depot Saturday night. No gore! Both parties were arrested, but were released on bail.

In commenting on the barbecue the *Jessamine Journal* has the following to say of our band: "The Richmond Silver Band, the members attired in nobby

new uniforms, attracted much attention. It is an organization Richmond should feel proud of."

Married, at the residence of B. F. Wilcox, near Irvine, Oct. 17th, Mr. Thos. H. Todd and Miss Laura Wagers. Mr. Todd is a Madison county gentleman. Miss Wagers is an accomplished little lady, daughter of the late Gib Wagers. The Climax joins with their friends in well wishes.

Miss Lloyd chaperoned 24 of the students of Madison Female Institute on the excursion to Estill county last Saturday. Mrs. Hogg also, with a number of her pupils, took this occasion for an outing. A large number from Lexington and many from other points swelled the crowd to past the 400 mark. No accident occurred to mar the happiness of the day, and it may be chronicled as another of Charley Dean's successful excursions.

Last Wednesday, the 19th inst., John L. Green, of Red House, and Miss Rachael Quisenberry, of Boonesboro, eloped to this city. A few friends were notified and at the residence of Mrs. Bettie Green, on Winn avenue, they were united in marriage. Rev. J. W. Herring officiating. An elegant supper was enjoyed by those present at the conclusion of the ceremony. Mr. Green is a most worthy young man and his bride is a most excellent young lady. May prosperity attend them, is the wish of many friends.—Winchester Democrat.

On a massive stone, high up on the front of the colossal new public school building is the inscription, "Caldwell High School." This is in honor of Robert Caldwell who, in 1816, donated the lot of one and a half acres for a school, and it is a decidedly just tribute to a deserving man. Mr. Caldwell was a prominent citizen and one of the promoters of Richmond in its infancy. His wife was a daughter of Christopher Irvine, a noted pioneer, and Rev. James Caldwell, for years a leading minister of the Christian Church, was a son.

The building is progressing most satisfactorily.

The woodlands are arrayed in all of the gorgeous colors that Dame Nature bestows so lavishly in autumn. The fiery red and brilliant yellow of the maple, mingled with the more sombre hues of the oak and other trees, make of the mountains the most lovely pictures. The variety of shades are innumerable and the effect on a beholder, while it bears an afterthought of sadness, is that of delight and thankfulness to the divine Giver of every good and perfect gift. Who can look upon the glorious scene and not be inclined to cast all evil behind? Who in seeing vegetation take upon itself the semblance of death, the trees stripped of their foliage, the earth bare, the grass withered and sere, that does not look beyond the grave, and with an eye of faith see the soul clothed by an immortal or glorified body, even like, in the springtime, the trees and the earth will be covered with new and beautiful vestures?

Try Lackey & Todd's teas and coffees. They are good. Phone 62. 32-1.

Positively Masters Croup.

Foley's Honey and Tar Compound cuts the thick, choking mucus and clears away the phlegm. Opens up the air passages and stops the hoarse cough. The gasping, strangling fight gives way to quiet breathing and peaceful sleep. Harold Berg, Mass. Mich., writes: "We give Foley's Honey and Tar to our children for croup and it always acts quickly." No wonder a man in Texas walked 15 miles to the store to get a bottle of Foley's Honey and Tar Compound. Every user is a friend. For sale by all dealers everywhere.—Adv. Oct. 1m

Death of Mrs. Corrington.

Mrs. J. J. Corrington died on Sunday night in Nicholasville, after a lingering illness. She is survived by her husband and two daughters. Her body was taken to Bloomington, Ill., for burial. She was a prominent W. O. T. U. worker.

Stop Those Early Bronchial Coughs.

They hang on all winter if not checked, and pave the way for serious throat and lung diseases. Get a bottle of Foley's Honey and Tar Compound, and take it freely. Stops coughs and colds, heals raw, inflamed throat, loosens the phlegm and is mildly laxative. Chas. T. Miller, editor *Enquirer*, Cannelton, Ind., had bronchial, trouble got very hoarse, and coughed constantly from a tickling throat. He used only Foley's Honey and Tar Compound. Was entirely relieved. Wants others to know of Foley's Honey and Tar. For sale by all dealers everywhere.—Adv. Oct. 1m.

Rains Did Much Damage To Tobacco.

The heavy rains of the past week caused much of the fine tobacco that had been cut and hung in the barns to be destroyed. One farmer in Bourbon county, who is an extensive tobacco grower, threw 10,000 sticks of tobacco out of his mammoth barn because it was so badly damaged as to be utterly worthless.

All you who have torpid liver, weak digestion or constipated bowels look out for chills. The season is here and the air is full of the disease germs. The best thing to do is to get your liver in good condition and purify the stomach and bowels. HERBINE is the right remedy, it answers the purpose completely. Price 50c. Sold by Wines' Drug Store.—Adv. 1m.

Held Without Bail.

Anna May Canada, a colored woman, was arraigned before County Judge Bullock, at Lexington, last week, charged with the murder of Alice Goodloe White, a Georgetown colored woman. The Canada woman killed the White woman on the street in Lexington in a fight by stabbing her in the neck. The defendant waived examination and was held to the circuit court without bail.

SIMPLY BREATHE IT

That's The Way You Use Hyomei The Safe Catarrh Remedy.

The most pleasant, easiest, harmless, and the really sensible method for the cure of catarrh is Hyomei, which can be had from any drug store. Just put twenty drops of the liquid in the small inhaler that comes with every complete outfit—then breathe it. A few minutes' use almost instantly clears the head and stops that annoying sniffing.

When using Hyomei every particle of air that enters the breathing organs is charged with an antiseptic, healing balsam that destroys the catarrh germs, stops the unclean discharges from the nose, relieves the irritation and quickly heals the sore and inflamed tissues. The first day's use of Hyomei will show a decided improvement no matter how distressing the trouble.

Catarrh, which usually begins with a neglected cold, often becomes a very serious ailment, so don't wait but start using Hyomei today—it is inexpensive and B. L. Middleton sells it on the "No cure-no-pay" plan.—Adv. Oct. 21-28.

Resolutions of Respect.

Whereas, God has taken from this earthly home the mother of our much beloved brother, Clifton B. Barnes;

Whereas, By virtue of the law of love we are taught to know that the greatest thing on this earth is love, and the absence of this love brings us the realization of this fact, that in the course of human events the greatest loss one can suffer is the loss of a mother. Therefore, be it

Resolved, That the members of Normal City Lodge No. 102, Knights of Pythias, extend to Brother Clifton B. Barnes our deepest sympathy in the loss of his mother, and remind him, in the words of Lord Lytton:

"And ever near us, tho' unseen,
The dear mortal spirits tread;
For all the boundless universe
Is Life—there are no dead."

Resolved, further, That a copy of these resolutions be mailed to Brother C. B. Barnes, a copy be furnished a local paper for publication and that they be spread upon the records of this Lodge.

Refused to Issue Certificate Of Election.

County Judge W. O. Chenaunt, of Mt. Sterling, refused to allow the certificates showing the result of the late local option elections recently held in Scott county to be placed on record. The dry people say that the failure of Judge Chenaunt to allow the certificates to go to record will have no bearing on the case, but the wet forces believe and claim they have won first blood. The contest will come up on Nov. 4th.

THE PROPER COURSE

Information of Priceless Value to Every Richmond Citizen.

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of a Richmond citizen who used them and who publicly tells of the benefit derived.

Mrs. J. Davis, Walnut street, Richmond, Ky., says: "I was nervous and dizzy and at night couldn't rest well. I felt tired in the morning and my back pained me. Doan's Kidney Pills were recommended to me and I used them, getting them at Middleton's Drug Store. They gave me relief."

Mrs. Davis is only one of many Richmond people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Davis had—the remedy backed by home testimony. 50c at all stores. Foster-Milburn Co., Proprietors, Buffalo, N. Y. "When Your Back Is Lame—Remember The Name."

Chauffeur Examinations Held.

W. R. Rice, of Louisville, and W. R. Myers, of Columbia, members of the State Boards of Examiners for Chauffeurs and Demonstrators, conducted an examination here last week and a number of our boys qualified by taking the examination. Commissioners Rice and Myers have been conducting these examinations throughout all the neighboring towns. They are sent out through courtesy of Attorney General James T. Garnett, in order to save the applicants and B. L. Middleton sells it on the "No cure-no-pay" plan.—Adv. Oct. 21-28.

CURES THE CAUSE.

That Is The Rheuma Treatment For All Forms of Rheumatism.

Drives Poison From The Blood and Wakes Up Sluggish Organs.

If you are suffering from rheumatism, no matter in what form, get rid of it by doctoring the blood and kidneys. That is the only way to thoroughly get it out of your system.

Get a bottle of Rheuma of B. L. Middleton or any druggist. This standard remedy gets into the blood and drives out the poison, whether it is uric acid or other sediment. It dissolves the poison and passes it along in the blood to the bowels and kidneys, which will throw it off in short order. In a few days the terrible pains will cease and you will realize you are being permanently cured.

Rheuma does not injure the stomach or heart during the treatment. It will increase your appetite, create a free, natural movement of the bowels, wake up your sleepy liver, and cleanse your diseased kidneys.

Rheuma costs only 50 cents, but is worth many times the price.—Adv. Oct. 21-28.

Big Timber Deal.

The Broadhead Garrett Co., with headquarters in Winchester, have just closed one of the biggest timber deals ever consummated in the Kentucky mountains. The president of the company is Green Garrett, of Winchester, State Railroad Commissioner. The main tract is situated in Powell county and comprises about 2,800 acres, while the other tract is in Virginia and comprises about 3,060 acres.

Eczema spreads rapidly; itching relief most drives you mad. For quick relief Doan's Ointment is well recommended 50c at all stores.—Adv. 1m.

Getting Rid of the Dogs.

The assessor in Boyle county is making a clean sweep of the dogs throughout that county. They are determined not to let a single dog escape taxation. The purpose of making such a clean sweep of the dogs is to re-establish and protect the sheep-growing industry, which has been almost destroyed in that section by the canines.

The day of harsh physics is gone. People want mild, easy laxatives. Doan's Regulets have satisfied thousands. 25c at all druggists.—Adv. 1m.

Gen. Lee's Son Dead.

Capt. Robert E. Lee, the youngest son of Gen. Robt. E. Lee, the Confederate commander, died at his home at Upperville, Va., last week. He had been ill for some time. Capt. Lee leaves a widow and two children. He was born at the old Lee mansion, now part of Arlington National Cemetery October 27, 1843.

Loss of Appetite.

Is the first signal of disorder and decay. The usual loss of appetite is often caused by functional disturbances in the stomach. The stomach fails to do the work required, the appetite is gone, and the body suffers from lack of nourishment. Such a stomach needs to be cleansed and sweetened. Meritol Tonic Digestive is made especially to assist the stomach to digest food, and promote a healthy appetite. This remedy is sold on a positive guarantee, and we ask you to give it a trial. It is a genuine tonic. Price, 1.00. Wines' Drug Store, Sole Agents.—Adv. 1m.

Veteran Editor Dead.

Editor Wm. B. Hansford, of Somerset, aged 72, died at his home in that city last Sunday. He was a member of the 2nd Kentucky Cavalry in the Union army and for many years a prominent newspaper man.

The British cruiser Hawke has been sunk by a German submarine in the North Sea. Only 50 of a crew of 400 were rescued.

Suffered Twenty-one Years --Finally Found Relief.

Having suffered for twenty-one years with a pain in my side, I finally have found relief in Dr. Kilmer's Swamp Root. Injections of morphine were my only relief for short periods of time. I became so sick that I had to undergo a surgical operation in New Orleans, which benefited me for two years. When the same pain came back one day I was so sick that I gave up hopes of living. A friend advised me to try your Swamp-Root and I at once commenced using it. The first bottle did me so much good that I purchased two more bottles. I am now on my second bottle and am feeling like a new woman. I passed a gravel stone as large as a big red bean and several small ones. I have not had the least feeling of pain since taking your Swamp-Root and I feel it my duty to recommend this great medicine to all suffering humanity. Gratefully yours, MRS. JOSEPH CONSTANCE, Rapides Par. Echo, La.

Personally appeared before me, this 15th day of July, 1911, Mrs. Joseph Constance, who subscribed the above statement and made oath that the same is true in substance and in fact. Wm. Morrow, Notary Public.
